## Resident and Business Information

Devon and Cornwall Police have released information leaflets to inform local people of route closures and diversions. Maps of Carbis Bay and St Ives, St Mawgan and Falmouth are attached at the rear of this newsletter.

Please encourage your friends and family to sign up for the free Devon and Cornwall Alert service, provided by the police. We will publish live updates and alerts throughout the event and it is the best way to stay informed by text, voicemail or email.

The South West Coast Path in Carbis Bay will be diverted for the duration of the event for security reasons.

Great Western Railway have confirmed that Falmouth Town Railway Station will be closed between 10 to 14 June. Penmere and Falmouth Docks Stations will remain operating as usual. For more information, please see the [Great Western Railway website](#).

Please do keep an eye on the G7 Website for updates in relation to footpath closures in Falmouth. Information will be released on the website as soon as it is confirmed.
